Introducing the Allied Partner Council

The Greater Cincinnati Realtist Association (GCRA) is excited to launch the Allied Partner Council (APC) — a dedicated forum where our partners can become stronger resources for one another and for our members. The APC brings lenders, title reps, inspectors, contractors, attorneys, developers, nonprofit allies, and other community partners into one collaborative circle to share ideas, exchange referrals, and coordinate support for GCRA's mission.

Why it matters

- **Stronger Referral Network:** Build trusted, cross-discipline connections that turn conversations into opportunities.
- **Shared Know-How:** Swap best practices, market insights, and tools that help everyone serve clients better.
- **More Lift for GCRA:** Align partner energy behind key programs, advocacy, and events that advance Black homeownership and community wealth.

Who should join

Current and prospective GCRA partners who want to plug in, give back, and grow alongside a mission-driven network.

Upcoming touchpoints

- **APC Kickoff Zoom:** Wednesday, October 2 at 2:00 PM (ET).
Want in? Reach out to Danielle Prost at (513) 265-8377 to receive the Zoom details and be added to the invite list.

- **Vendor Fair:** Late October (date TBA). The APC is organizing our first vendor fair to spotlight partner services and make warm introductions to members and the community.
